

## **Welcome Back to School!**

As many of you may know Marshall Elementary is a Schoolwide Title Building and is supported with some additional federal money, to meet the needs of all students. Our Schoolwide Plan was again approved by the Kansas Department of Education last year and we look forward to enhancing it even further this year. All students receive benefit from our Title 1 Schoolwide Program as paraprofessionals, at Marshall, are considered highly qualified and help in whatever room or area assigned. Within our Schoolwide Program we will be hosting Parent & Student Fun Nights. We look forward to another great year.
