TABLE OF CONTENTS

EUREKA JR/SR HIGH SCHOOL WELCOME

The teachers, staff, and administrators are committed to providing you with the best possible educational experience while you are a student at EJSHS. It is our goal to provide a safe and orderly learning environment for all. Student actions that disrupt the safe and orderly environment will be subject to disciplinary action. We encourage you and your parents to read this handbook. It should provide you with a good foundation for what your responsibilities are while you are a student at EJSHS. Excellence in learning has never been more important than it is today in our high-tech, ever changing society. Your success in school, as well as in life, is directly related to the effort you put forth. We encourage you to be involved in the many facets of student life at EJSHS. We have a proud tradition of a strong academic program coupled with a wide variety of extracurricular activities. Working together we can reach our ultimate goal of each student developing to his/her fullest potential.

MISSION STATEMENT

Vision

We are a learning community that promotes academic excellence and social responsibility.

Mission

In order to achieve this goal the Eureka Jr/Sr High School stakeholders including students, parents, community, and staff will encourage and carry out the following:

- * Excellence
- * Job Readiness
- * Scholarship
- * Honesty
- * Self-Discipline

STUDENT COUNCIL

Your Student Council provides for student activities, serves as a training experience for both leaders and followers, promotes the common good of the student body, gives students a share in the management of the school, develops high ideals of personal conduct, acts as a clearing house for student activities, seeks to interest students in school affairs, and helps solve problems that may arise. Members of the Council are elected from each grade and each approved club or organization and have direct access to our school's administration. Within the school there are many clubs, organizations, and class office positions. The student council has the by-laws which determines how many office positions can be held by one person.

ATTENDANCE POLICIES

AGE OF MAJORITY ATTENDANCE PROCEDURE

On March 23, 1972, the 18-year-old majority bill of the State of Kansas became effective. This law affords the same adult rights which persons 21 years of age or older had prior to that time. It should be pointed out that this law does NOT affect the authority of school boards, administrators, or teachers to make reasonable rules and regulations. For example, students still must have a phone call from parents excusing them from school. Those students not living at home should notify the principal and make arrangements for an alternative procedure.

ATTENDANCE

K.S.A. 72-1113. Enforcement of compulsory School Attendance requires the Board of Education to establish a policy identifying excused and unexcused absences. The law declares a student to be truant whenever the student has been inexcusably absent three (3) consecutive days or five (5) or more days in one semester and seven (7) or more days in a year. The following is USD #389 policy for Junior High / High School students.

If a student is absent from school, it will be necessary for a parent to call the office on the day the student is absent. Parents are asked to call between 8:00 - 10:00 a.m.

Senior students who are the age of 18 years or older may take responsibility for their educational and medical decisions throughout the rest of their high school career. For this to be a smooth transition, we ask these 18 year-old students to have their parents and/or guardians come in and visit with the administration and/or write a letter. This meeting and/or letter should state that the parent will forgo their parental/guardian rights so the senior student may make their own educational and medical decisions for the remainder of their EJSHS career.

If a student is absent from school and a parent call is not received within three days of returning, a detention will be issued for the student to serve.

Attendance is kept on a semester basis. When a student misses school, for whatever reason, it will be recorded as an absence. When the student has missed five days of school, in a semester period, the administration will send an advisory letter to the parent. When the student has missed six days of school, in a semester period, the administration will send a notification letter to the parent. On the 7th absence a warning letter will be sent requesting a parental conference and an attendance contract will be written. The attendance contract will stipulate guidelines for the number of absences a student can have for the rest of the semester, traditionally a maximum of two (2) days. If the time missed by the student does not fall under one of the four areas below, the student may make up the time through detention time as specified by the administration.

Absences that the Administration may consider excused if the student has proper documentation are:

1. A prolonged or serious illness in which the student is under a doctor's care.
2. Doctor or dentist appointments – these appointments will be excused. The student must bring notification from the doctor or dentist indicating the time/date of the appointment. Notes must be received within five (5) days of the appointment.
3. An excused hardship situation.

Absences that the Administration may consider unexcused are:

1. Parent calls without documentation of one of the above.
2. Failure of the parents/guardians to notify the school.
3. Reason deemed inexcusable by the principal.
4. Leaving school without permission.
5. Out of School suspension.
6. Vacation and trips.
7. Senior skip days or any skipping of school.

TARDIES

1. There are no excused tardies, except if a tardy was caused by U.S.D. 389. All tardies are to be reported by the teacher when they occur.
2. If a student arrives after 8:20 a.m., he/she is considered absent for at least the first hour, and it will be counted as an absence. First hour tardies before 8:20 a.m. may be acknowledged by a parent call. If a student is late more than 5 minutes during 2nd - 8th hour, he/she will be counted absent.
3. Each tardy three and above, per nine weeks will result in a detention.

If a student fails to serve his/her detention, he/ she is subject to two detentions. If he/she fails to serve these detentions, he/she is subject to Friday School, and/or ISS that will be determined by the administrator.

TRUANCY

Eureka Junior/Senior High School defines truancy as any three consecutive absences, any five unexcused absences in a semester or seven unexcused absences in a school year, whichever comes first. School year means the period from July 1 to June 30. Students who are absent without excuse for a significant part of any school day shall be considered truant. Students under the age of 18 who are truant will also be referred to the appropriate legal authorities in accordance with Kansas State Statute. All absences must be validated within 24 hours after the student returns to school. Following 10 days of absences (excused or unexcused), a doctor's note will be required to excuse any further absences.

EJSHS provides the following as examples of truancy. This is by no means an exhaustive list.

1. Not attending school after leaving home to do so.
2. Leaving school without permission from the office.
3. Not attending a class the student is enrolled in without a legitimate pass to be excused (even if the student is on the school grounds).
4. Leaving class without permission.
5. An absence that is not warranted.

Known truancy will result in consequences as follows:

1st Occurrence of Truancy – Detention Time minute for minute of the time missed (minimum of 1 hour) OR Friday School hour for hour missed (minimum of 1 hour), maximum of two Friday Schools. Failure to serve results in a reassigned Friday School plus 3 days of ISS. Failure to serve the reassigned Friday School results in 5 days of ISS.

2nd Occurrence of Truancy - 3 days ISS and 1 Friday School. Failure to serve Friday School results in two Friday Schools and 3 days ISS. Failure to serve reassigned Friday School will result in 5 days ISS and two Friday schools.

3rd Occurrence of Truancy - 3 days ISS plus time made up in summer school (One Week)

4th Occurrence of Truancy - 5 days ISS plus time made up in summer school (Two Weeks)

5th Occurrence of Truancy – Class time made up in summer school (entire summer school).

As required by Kansas State Statute, the county attorney will be notified of truanies.

LEAVING SCHOOL GROUNDS

Once students enter the school building for the school day they should not leave without checking out in the office with approval. If for some reason, such as illness, it becomes necessary to leave the school grounds, the student MUST report to the main office and be checked out. Students leaving the grounds without permission of the administration or secretaries will be considered truant. Students should not go out to the parking lot during the school day unless they have permission from the office. Students will not be released during the school day except when approved by administration and upon receipt of a verbal request from the student's lawful parent or person acting as a parent.

CURRICULUM

EDUCATION OF EXCEPTIONAL CHILDREN

The local education agency is committed to providing a free and appropriate educational program to all exceptional children regardless of the severity of his or her handicapped condition. We are committed to provide the most-appropriate and least-restrictive educational program for all exceptional children through screening, pre-assessment, comprehensive evaluation, individual educational planning and continuous follow-up. New parents may contact the Student Improvement Team (SIT) in their child's school to request assistance with their child. You may also contact the director of special education for Eureka at 620 583-5588 for further information.

BOARD OF REGENTS QUALIFIED ADMISSION CURRICULUM

The law also specifies that a graduate is eligible for admission if he or she has a composite ACT score of not less than 21 points or has a cumulative GPA as required to meet the Qualified Admissions requirements of their chosen university.

Under the provisions of 1996 House Bill No. 2668, a graduate of an accredited Kansas high school is entitled to admission to a State Board of Regents Institution if the student has completed the pre-college curriculum prescribed by the State Board of Regents with a minimum grade point average of 2.0 on a 4.0 scale. This law applies to students who graduate in 2001 or later. Additional requirements to become a State Scholar as set forth by the Kansas Board of Regents include:

- Students must have taken the ACT between April of their sophomore year and December of the senior year.
- Students must be a Kansas resident
- Students must have their curriculum and 7th semester GPA certified on the official roster by the high school counselor, registrar, or similar official.

The Kansas Scholars Curriculum consists of:

1. Four units of English;
2. Four units of Mathematics;
3. Three units of Social Studies;
4. Three units of Sciences; (1 unit each: Biology, Chemistry, and Physics)
5. Two units of the same Foreign Language.

A total of 25 units of credit are required by this district for HS graduation. Consult with a school counselor to determine specific graduation requirements.

*Beginning with the Class of 2028, a total of 27.5 credits will be required by this district for high school graduation.

all dual credit courses are subject to administrative approval prior to enrollment.*GRADE CLASSIFICATION**

To be classified as a sophomore, junior, or senior, a student must meet the following unit requirements:

Sophomore - 7

Junior - 14

Senior - 21

All students will be scheduled for a full seven periods per day. Students will not change grade classifications until the completion of a semester or summer school.

GRADE REPORTS

The report cards at Eureka Jr/Sr High School will be distributed at the close of each nine (9) weeks of school for students in grades 7-12. In addition to the report cards, special reports may be sent to students who are having academic difficulties.

DROPPING A CLASS PROCEDURE

Class changes are to be made at the start of each semester. During the first two days of a semester, a student may drop a class and add a new class with the approval of the counselor and notification and approval of the parents.

During the remaining time, any change in classes must have the approval of the teacher, the parents, the counselor and the administration. Students dropping a full-year course with a passing grade, after only one semester, may receive one-half unit credit, pending approval of the administration.

GRADING

Students receive report cards at the end of each quarter. The marking system used by Eureka Junior/Senior High is:

A 95 - 100	C+ 77 - 79	D- 60 - 63
A- 90 - 94	C 74 - 76	F 59
B+ 87 - 89	C- 70 - 73	
B 84 - 86	D+ 67 - 69	
B- 80 - 83	D 64 - 66	

Incomplete may be used as a final grade only with the permission of the principal and the student's counselor. Definite time limits are established within which work graded as incomplete must be made up or be converted to the appropriate letter grade.

WEIGHTING FOR CLASS RANKING AND HONOR ROLLS

In those classes where requirements have been significantly altered for students with an IEP, they may receive a reduced grade weight. Instead of the four-point scale, they could be reduced one point for the quantity and quality of work submitted.

Altered Classes Would Include:

1. No test for a particular student.
2. Different test for a particular student.
3. Students not responsible for the same amount of work.
4. Students are not responsible for the same quality of work.

HONOR ROLL

The honor roll will be issued at the end of each semester. Students must be enrolled in a minimum of five classes and not receive an F to be included on the honor roll. Students receiving an Incomplete for a class will not be listed on the honor roll. Students receiving a 3.65 and above will be listed on the High Honor Roll. Students receiving a 3.0 - 3.64 will be listed on the Regular Honor Roll.

ACADEMIC LETTER

Students who are listed on the High Honor Roll for two consecutive semesters will receive an Academic Letter. Students must be enrolled in a minimum of five classes and not receive an F to be eligible for an academic letter. Students may qualify for this award four (4) times during their high school tenure, and they will receive additional bars for subsequent recognition.

PASS OR FAIL

Students who take classes for a PASS/FAIL credit will be eligible for the honor roll provided they pass, are enrolled in a minimum of five classes and did not receive an F in any of their graded courses.

PROMOTION AND RETENTION

Students may be promoted when they have demonstrated mastery of the board-approved learning objectives. The final decision to promote or retain a student shall rest with the principal, after reviewing information about the student.

GRADUATION EXERCISES

Students who have completed the requirements for graduation may be allowed to participate in graduation exercises unless participation is denied for appropriate reasons. Graduation exercises shall be under the control and direction of the building principal. Since graduation is a special occasion, the dress for graduates for the event will be dress clothes. Ladies will be expected to wear dress clothes and dress shoes (no athletic shoes and/or flip flops). Men will be expected to wear dress pants (dress jeans), shirt, socks, and dress shoes (no athletic shoes and/or flip flops). Should this requirement cause a financial hardship for any potential graduate, please contact the school office and concern will be addressed.

STUDENT RECORDS

Any eligible parent/guardian or student may inspect the personal records of the student during regular school office hours. When a student attains 18 years of age, the permission or consent required of and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.

All student records shall be treated as confidential and primarily for local school use unless otherwise stipulated. In situations where the parents of a student are divorced or separated, each parent, custodial and/or noncustodial, shall have equal rights to their child's records unless a court order specifies otherwise. Private agreements between the student's parents shall not be recognized by the district's personnel.

According to law, most pupil records are confidential. A parent or guardian of a minor pupil must, upon request, be shown the pupil's behavior records in the presence of a person qualified to explain and interpret them. Pupil records may be released with the written permission of the parent or guardian. In the event a student withdraws, records must be transferred to his/her new school when written notice is received from his/her parents, guardian, or his/her new school.

WITHDRAWAL OR TRANSFER OF STUDENT RECORDS

Several days before a pupil plans to withdraw or transfer from school, he/she should bring a note from his/her parents explaining the situation. The pupil will present this note to the office and receive instructions regarding the return of textbooks, library books, locker equipment, etc. No clearance slip will be issued, refunds made, or student records forwarded until all fees have been paid and all school property returned.

MAKE-UP WORK

Students who are absent for any reason will be required to make up work that is missed in each class. When students miss they will have one more day than the total number of days absent to make up the work. In cases of a prolonged absence of more than five days, additional time will be approved by the administration on a case- by-case basis. Work that is not made up in the allotted time will be recorded as no credit.

It is the responsibility of the student to make up work missed. An excused absence or an absence for an authorized school activity simply allows the student the privilege of making up the work. Length of make-up time is the number of days missed plus one. In the case of an authorized school activity (field trip, competition, etc.), arrangements should be made and due dates discussed with each teacher prior to the day of the activity.

LUNCH DETENTION

Lunch detention will be utilized for the purpose of completing missing work only. Teachers can refer students to lunch detention by emailing the ISS teacher and principal. Students wishing to catch up on work may request to attend lunch detention. If referred to lunch detention, **you must work on missing work during this time**. Lunch detention is not to be used to satisfy discipline or tardy/ absent detention time.

ACADEMIC DISHONESTY

Cheating is strictly prohibited. Academic dishonesty is any form of cheating or misrepresentation of one's work and includes but is not limited to the following:

- Sharing or receiving questions or answers on tests and/or homework assignments without expressed teacher approval.
- Using a source specifically not allowed for a school assignment, quiz, test, or examination.
- Using technology or electronic resources unethically.
- Copying written information, works of art, or music without citing/crediting the source (plagiarism).

Consequences are outlined in the discipline section of this handbook. The teacher will notify the student's parents and the office of each offense.

SEMESTER TEST POLICY

All students will take semester tests for the first semester in December. In May, students will take all semester tests, which will be counted as a part of their grade unless the student qualifies for exemption in each class. The exemption policy is as follows:

- Student must have at least a B in each class
- Three tardies or less per class for the year
- Four unexcused absences total for the year
- Obligations satisfied
- Student must be in good standing. No more than 2 detentions, no office referrals, ISS, or OSS. Lunch detentions do not apply.

SPECIAL ASSIGNMENTS/PROJECTS

Long-term assignments/projects, including research papers, that are pre-approved by the administration, that extend beyond ten school days, and have a preset due date, will be required to be in on time (as designated by the teacher). Students absent on the due date are required to turn in the assignment/project prior to the due date or make arrangements to have it turned in on the due date. The only exception will be a written request for an appeal for an administration review.

IPS Individual Plan of Study

All students, beginning in middle school will develop an IPS based on their career interests. An IPS is both the product a student develops and the process the school implements to guide students in developing future plans. A student's IPS is developed cooperatively between the student, school staff members and family members. There are four minimum components of a student's IPS. 1. A graduated series of strength finders and career interest inventories to help students identify preference toward career clusters. 2. 7th-12th grade course builder with course selections based on career interests. 3. General post-secondary plan (workforce, military, certification program, two or four year). 4. A portable electronic portfolio (Xello) and Senior Exit Project (Portfolio). The purpose of the Portfolio is to give the student a purposeful collection of student work that demonstrates student learning across time. Portfolios promote self-reflection, give students greater ownership in assessing and articulating their learning and provide a resource that students can use for future employment. The Kansas State Board of Education, along with KSDE has designed the Kansas Can vision, mission and outcomes required for all students. A successful high school graduate has the academic preparation, cognitive preparation, technical skills, employability skills and civic engagement necessary to join the workforce.

SENIOR EXIT PROJECT (SEP)

The senior exit project consists of two elements: a portfolio and a student presentation/interview.

The Portfolio:

EJSHS students will compile significant projects and works of pride throughout their EJSHS career. These projects and works will be housed in our EJSHS library. During a student's senior year they will complete a senior portfolio that will house items that are listed but not limited to this list of items: Resume, Cover Letter, Reference Letters, Personal Creed, Work Reflection Pieces, and Document of Community Service Hours.

The community service and school hours that are required through the Senior Exit Project and approved through the individual seniors' mentor must be completed prior to graduation for the senior student to walk the stage at graduation.

The Presentation/Interview:

Each senior will create a theme to showcase their presentation that capitalizes on their growth and ability to be a lifelong productive citizen. Students may invite family, students, staff members, and board members to this presentation. Students will present for approx. 10

minutes about who they have become, what have been challenges, what have been highlights, growth times, where their goals lie outside high school, and an opportunity to thank those who have made them the adult they are today. After their presentation, students will answer questions from the SEP interview panel to conclude the presentation interview.

TEACHERS' AIDE

Teachers' aides will receive a quarter credit per semester in these areas. The aides will be required to meet the expectations of their teacher/supervisor to receive a pass/fail grade.

GUIDANCE PROGRAM

1. The purpose of the Guidance Program is to help the student solve his/her vocational educational, social, personal, financial, family adjustment, and health problems; and to help the student know himself/herself by studying personality and physical characteristics. All students should feel free to go to the Counselor for help with any kind of problem.
2. Through the high school counselor a college visitation day may be scheduled. Students are encouraged to use this day in a productive manner to gain information that will be helpful after graduation.

LIBRARY

The Library's purpose is to serve the students, teachers, and administrators. It is hoped that the Library will become the hub of the school and the resource center for curriculum enrichment. This is not possible without the cooperation of students and staff. The Library is a place for studying and seeking information.

ADVERTISING/PROMOTIONAL MATERIAL:

Banners, Flyers, or signs are not to be displayed at school activities without administrative approval.

TEXTBOOK RENTALS

A textbook fee is collected for use of the textbook, electronic or printed. A fine may be assessed at the close of the year when, in the judgment of the teacher, a book has been damaged beyond ordinary use. Lost books must be paid for by the student.

ACADEMIC SUPPORT PROGRAM

Academic Support is an after school program offered to students who do not meet academic eligibility requirements, are close to not meeting academic eligibility requirements, or are missing work in which teachers recommend them to the program. This extended school day study hall /tutoring hour will be required for those students needing additional instructional time to achieve minimum academic performance. The program will be designed to provide as much individualized, intensive instruction as needed to raise performance and success within classroom work and assessments. This extended day opportunity is every Tuesday, Wednesday, & Thursday after school from 3:25-4:25. It is the intent of the extended day

program to provide students additional academic support within their daily studies and work.

RECOMMENDING A STUDENT TO ATTEND ACADEMIC SUPPORT

Administration will utilize the following criteria/data to determine if a student is performing below the minimum level of academic performance and will be entered into Academic Support:

1. Classroom teacher recommendation.
2. Student has homework which is not complete within their courses.
3. Student is on the "F" list
4. Student is on the "Ineligible list" or is close to not meeting eligibility requirements.

ATTENDANCE POLICY FOR ACADEMIC SUPPORT

Once students are recommended to the Academic Support Program, attendance is required. Attendance is taken and students will be held accountable for missing without an excused reason. It is necessary for students to be regular in attendance to achieve the desired results and optimal academic success. Students will be exited from Academic Support when grades and homework completion warrant. The student is responsible for obtaining a signed grade sheet from the teacher dismissing them from Academic Support and have it signed by administration. Attendance in Academic Support takes precedence over detention time owed. Students who are required to be present in Academic Support will need to make acceptable arrangements for any detention time owed outside of Academic Support times.

ABSENCES and MAKE UP TIME For ACADEMIC SUPPORT

Once a student is notified that they are enrolled in Academic Support they are required to attend. If a student is absent they must have a parent call prior to the absence to be excused. Students who do not attend and have not been excused by a parent, will make up the hour of time they missed. These students will report to Friday school for each hour of Academic Support missed. Parents are contacted by administration regarding requirements and transportation needs for each Friday school. If Friday school is skipped, this time will double and will result in ISS time to equal the amount of Friday school time owed.

TRANSPORTATION FOR ACADEMIC SUPPORT

Bus transportation will be provided for students selected to participate in the Tuesday, Wednesday, & Thursday Academic Support. Students serving Friday School time will have to arrange their own transportation. Parents will notify the school if there are specific transportation arrangements needed for individual students.

FRIDAY SCHOOL:

Friday school is required when Academic Support time is skipped, detention time is overdue, or truancy issues warrant. Friday School is 3:20 – 6:20. Students will serve the required amount of time due during that time, beginning at 3:20. Students serving Friday School time will have to arrange their own transportation.

ACTIVITIES PROGRAM - MOOD ALTERING CHEMICAL AND TOBACCO POLICY

In an effort to develop uniformity within our activities program, the following substance abuse policy will be enforced. We feel it is a privilege to participate in the Eureka High School activities program. Students are expected to show self-discipline and control at all times. This

policy will define substance abuse as the use of alcohol, drugs, non-regulated Tobacco products that are tobacco substitutes, or tobacco by any student, during the school year.

RULE: During the school year, regardless of quantity, a student shall not: (1) use or possess a beverage containing alcohol or (2) use or consume, have in possession, buy, sell, or give away any marijuana or controlled substance or (3) use or consume, have in possession, buy, sell, or give away any type of tobacco (including e-cigs, vapor pens, etc.) Since training rules are always subject to a lot of public opinion, it is extremely necessary to determine how violations will be addressed. If any student violates this rule and the violation is substantiated by a faculty member, school administrator, the student's own admission, or other evidence presented, the following will occur:

First Violation: The student will lose eligibility for the next one (1) interscholastic competition days. If at a school sporting event, the student will also receive 3 days ISS. It will also be recommended that the student receive any necessary counseling as determined by the principal, parents, athletic director, counselor and head coaches/sponsors.

Second Violation: The student will lose eligibility for the next three (3) interscholastic competition days. If at a school sporting event, the student will also receive 5 days ISS. The student must receive counseling in substance abuse. The principal, parents, athletic director, counselor, and head coaches/sponsors will determine the counseling.

Third Violation: The student will lose eligibility in all activities for the remainder of the school year. In order to become eligible for activities for the next school year, the student must go through some sort of chemical dependency program at the expense of the individual or family. This completion will be determined by any professional substance abuse counselor and/or the principal, athletic director and school counselor. Violations of the substance abuse policy shall be cumulative throughout the school year.

If a source other than those previously listed signs a written statement about a student's violation of this policy, validity of the allegation will be screened, and if the information is substantiated, the appropriate action will be taken.

If a student enrolled in USD #389 is found to be in violation of Kansas statutes, district administrators are required to report these possible violations to appropriate law enforcement agencies for investigation and provide such factual information as may be available, consistent with Kansas law and the constitutions of Kansas and the United States.

DRUG DOGS – GUIDELINES

The Greenwood County Sheriff has school board permission to conduct periodic, unannounced searches of school facilities and the parking lot for illegal drugs using trained drug dogs with prior administrative permission and when accompanied by a school administrator. Students in possession of illegal drugs, which includes student lockers and cars parked in the parking lot or parked adjacent to the school, will be turned over to law enforcement authorities.

The request for a drug dog(s) to be brought to the school may come from the sheriff to the building administrator, or from the building administrator to the sheriff. A time shall be established as agreed upon between the sheriff and the building administrator. Notification of the possible inspection of facilities, including the parking lot, cars parked adjacent to the school, and lockers, by drug dogs will be placed in student handbooks.

Students will be notified in an assembly of the possible inspection of the facilities, including cars in the parking lot or cars parked adjacent to the school, but not when it will occur.

The school reserves the right to require a written statement from the student's physician indicating that the student is free from all symptoms of the disease. If a student is absent from regular classes for more than three consecutive days, or the principal has been notified that a student has a communicable disease, the principal shall determine whether a release should be obtained from the student's physician before the student reenters school.

HEALTH SERVICES

Our school provides the services of a School Nurse who serves as a liaison between the school and the home. School health services are coordinated by a Registered Nurse, certified as a School Nurse, in cooperation with the principals and teachers. Basic hearing and vision screening by state guidelines are done on all students. Identification and prevention of communicable diseases include checking immunization compliance on all students. State law requires a minimum of 5 DPT, 4 Polio, 2 MMR, 3 HBV, 1 TDAP, 1-2 doses Meningococcal, and 2 Varicella immunization(s). Medicine or treatments prescribed by a physician as necessary for a

student to remain in school must be under the supervision of an R.N. Parents must contact the school nurse to make the necessary arrangements. U.S.D. #389 will comply with state statutes.

Home Visits - Homes will be visited by the nurse at a principal's or a parent's request to discuss health problems.

Vision – Students in 7th and 10th grades will receive a vision screening. The screening is done at school. Students who show any defect in vision or who have symptoms of eye trouble will be notified by the School Nurse.

Hearing and Vision Tests - Hearing and vision tests are given to all pupils who are new to the Eureka schools and to those who have had indications of hearing problems in the past. Hearing tests will also be done at a teacher or a parent's request. Hearing tests are conducted by the School Nurse every three years.

Insurance - All students involved in interscholastic sports must be covered by accident insurance and present a waiver signed by their parents or guardian. The waiver indicates to the school that a student has accident insurance or that he or she will bear any cost related to an injury that occurs during interscholastic sports. Student insurance is also available to all students in the fall, if their parents/guardians do not have coverage. Medical expenses for both extra-curricular activities and school accidents not covered by parents insurance or students insurance purchased by the parents, are the responsibility of the parents.

SUPERVISION OF MEDICATION

Diagnosis and treatment of illness and the prescribing of drugs and medicines are not the responsibility of the public schools and are not to be practiced by any school personnel. The public school shall not provide students with aspirin or any other medication.

In certain circumstances, when medication is necessary in order that the student remain in school, the school may cooperate with parents in the supervision of medication that the student will use. For prescription medications, the medical person authorized to prescribe medication must send a written order to the building administrator or school nurse who may supervise the administration of the medication or treatment. For over-the-counter medications, parents must submit a written request to the school nurse requesting the school's cooperation in the administration of medication and releasing the school district and personnel from liability.

Self-administration of asthma medication for students in grades 7 through 12 is authorized with the required written doctor's order and a written parental request.

The school nurse will be responsible for the overall administration of all medication in schools or delegate the responsibility to a staff member after receipt of the medication and initial assessment.

INOCULATIONS

All students enrolling in any district school shall provide the building principal with proof of immunization against certain diseases or furnish documents to satisfy statutory requirements upon enrollment. Booster shots required by the Secretary of the Department of Health and Environment are also required.

Students who fail to provide the documentation required by law will be excluded from school until statutory requirements are satisfied. A thirty-day notice of exclusion shall be given to parents/guardians. Students who are not immunized against a particular disease(s) may be excluded from school during any outbreak.

NOTIFICATION OF INOCULATION REQUIREMENTS

Hepatitis B and Varicella (chickenpox) vaccines are required for Kindergarten school entry. The State of Kansas school immunization law requires that all students' immunizations be current when they enter school. If your child does not have all of the required immunizations when they enroll, they then have 90 days to comply with this requirement or they may be excluded from the school setting. This law is especially applicable to new students, beginning kindergarten students and students who have not had a diphtheria/tetanus booster for ten years. Required immunizations, depending on the age of the student include:

- 4 or 5 DPT (diphtheria, pertussis, and tetanus)
- For students 7th grade or older they must get a new TDAP
- 1-2 Meningococcal
- 3 or 4 Polio
- 2 MMR's (measles, mumps, and rubella)
- 3 Hepatitis B
- 2 Varicella

SAFETY DRILLS

FIRE DRILLS

Fire drills are required by law and are held periodically so that orderly evacuation of buildings may be accomplished without panic. Instructions are posted in each room. Acquaint yourself with these instructions. After the alarm, walk quickly out of the building without wraps or books. No talking or visiting is allowed. Students should remain together in class groups so the teacher can account for all students and can repeat any announcements.

TORNADO DRILLS

A tornado procedure has been set up for the school. Students should make certain that they understand what they should do in case of a tornado, because any delay could mean the difference between injury and safety.

When the tornado alarm is sounded, all students and teachers should report to their assigned areas of safety. Students should move quietly and quickly to their assigned areas of safety so that they can hear instructions that are given by the Principal or teachers. Your safety and health are dependent upon your following the rules of tornado safety.

1. Students in the Gym areas, Auditorium, and FACS classes use west hall and report to the Band Room. Vocational Building classes report to the Band Room.
3. Students whose rooms empty into the south corridor use west hall and report to Vocal Music Room.
4. All middle hall rooms use the north hall and report to the SEP Room.
5. Students whose rooms empty into the north and east corridor west of the middle hall use north hall and report to the Vocal Music Room.
6. Students whose rooms empty into the north corridor east of the middle hall use the north Hall and report to the SEP Room.

OPENING AND CLOSING THE BUILDING

The school day is from 8:05 a.m. to 3:20 p.m., including the closed lunch period. Students arriving prior to 7:35 a.m. are to remain in the Commons Area.

INCLEMENT WEATHER

The Superintendent of Schools will make the decision if a normal school day is to be changed due to bad weather. In case of severe weather, the official announcement for school closings may be heard via School Reach phone call or over these radio stations: Wichita; and KOTE - Eureka. Closings will also be listed on the following television stations: Channel 12 - Wichita; and Channel 10-Wichita, Channel 3 - Wichita.

VISITORS TO THE SCHOOL

Any person who visits a building and/or grounds of the district will be under the jurisdiction of the building principal. Visitors to the building are to report to the school office. Classroom visitations must be scheduled, in advance, with the school administration. The principal has the authority to request aid from any law enforcement agency if any visitor to the district's buildings or grounds refuses to leave or creates a disturbance. Violation of this rule may lead to removal from the building or grounds and denial of further access to the building or grounds. Violators of this board policy and its rules may be subject to the state trespass law.

NON-SCHOOL SPONSORED STUDENT CLUBS

1. Non-school sponsored clubs must make a written request for use of school facilities, and the request must stipulate the purpose of the club. This must be done at the start of each school year.
2. When approved by the administration, the non-school club will be allowed to meet in school facilities in the same format and time frames as school-sponsored clubs or organizations.
3. Non-school sponsored clubs will not be eligible for representation on the Student Council, recognized as a school organization in any school publication, nor be eligible for fund raising activities associated with the school.

4. A faculty member or other adult designated by administration shall attend the meetings as a supervisor on behalf of the school district, but shall not participate in the group's activities.
5. Members of non-school sponsored clubs who create behavior problems during the meetings, or as part of the actions of the club, will result in the non-school sponsored club being denied further use of school facilities for meetings.
6. District funds, support staff, or materials will not be available for non-school sponsored clubs or organizations.
7. Non-school sponsored clubs or organizations will no longer be allowed the use of the school facilities when there is not sufficient student interest to continue the club during school time. This determination will be made by the administration.

Policies and procedures outlined apply to schools, school property and school-sponsored events, and are intended as a guide to cover most, but not all, situations. Offenses are cumulative by semester. Because USD 389 believes family involvement is critical when dealing with student discipline issues, reasonable efforts will be made by the school to contact parents with disciplinary concerns. Any action which may constitute a criminal offense will be referred to appropriate law enforcement officials.

Although it is expected administrators will follow the handbook as written, school officials may exercise discretion in applying policy to individual cases.

Illegal Substance

Absolutely no possession or use of tobacco (including vapor pens, e-cigs, etc.), alcohol, or drugs is allowed on the school grounds, at any school-sponsored activity, in any school-sponsored vehicle, or within a stated radius of the school. The above policy applies whenever the student is under the jurisdiction of the school. A violation will result in a suspension or administrative hearing and the violation will be referred to law enforcement if the student is also in violation

of a state statute.

Alcohol use by a student is illegal and poses a serious threat not only to the student's own safety and well-being, but also to the safety and well-being of the entire school community. Therefore, alcohol use by students will not be tolerated during school hours, on school property, or at any school-sponsored event or activity during or after school hours. When determining whether or not alcohol has been used or consumed by a student at a school-related function, or whether they are intoxicated, the safety of the student involved and the safety of other students, school staff and members of the general public, are the school district's primary concerns.

If a supervising administrator believes that a student has used alcohol based on the observation of behavior, lack of coordination, or smelling alcohol on the student's breath, he or she may take action to confirm the suspicion. An assessment of a student's possible or suspected alcohol use may be aided by utilizing breath alcohol testing devices, such as breathalyzers, which indicate the presence or absence of alcohol in a person's system. The intended purpose of having breath alcohol testing available is to prevent alcohol use by students. Law enforcement officers from the County Sheriff's Office will administer the alcohol breathalyzer tests. Any student who is determined to be under the influence of alcohol will be dealt with by the sheriff's office according to the law.

A student's participation in any extracurricular activity, including, but not limited to, sports and dances, is a privilege, not a right; therefore, students and their guests who wish to take part in extracurricular activities, and their parents, guardians or other responsible persons, will be required to sign the student handbook verification form acknowledging that they have read and understand this alcohol screening policy.

Every student attending school or school-related events or activities (whether within or outside the school district), is expected to follow the Student Handbook and the policies that reside within.

As a condition of continued enrollment in the district, students shall abide by the terms of this policy. Students shall not unlawfully manufacture, distribute, dispense, possess or use illicit drugs, controlled substances, or alcoholic beverages on school district property, or at any school activity. Any student violating the terms of this policy will be reported to the appropriate law enforcement officials, and will be subject to the following sanctions.
