WELCOME

Welcome to Marshall Elementary School. *Marshall Elementary is a Leader In Me School and is a Certified Lighthouse School.* We take pride in teaching our students leadership skills and helping them to be the best versions of themselves. The teachers, staff, and administrators are committed to providing students with the best possible educational experience. It is our goal to provide a safe and orderly learning environment for all. Marshall Elementary School has been fully accredited by the state of Kansas. Marshall Elementary has also attained the award of Standard of Excellence in both Reading and Math on the Kansas state assessments. Marshall Elementary was also Awarded the 2012 National Blue Ribbon Award by the US Department of Education.

We encourage you and your parents to read this handbook. It should provide you with a good foundation for what your responsibilities are while you are a student here. This handbook will help you become familiar with the rules and expectations of students attending our school so that your years here will be a positive and successful learning experience. Please check out our Marshall Elementary Facebook page as we love to provide insight to our school (@Eurekaks)

MISSION STATEMENT

Vision: Marshall Elementary is a learning community that promotes academic excellence and social responsibility.

Mission: In order to achieve this goal the “Marshall Family” including students, parents, community, and staff will encourage and carry out the following:

- * Academic Excellence
- * Self Discipline
- * Collaboration
- * Responsibility
- * Leadership

GENERAL GUIDELINES

The following rules will help keep Marshall Elementary School a safe orderly place to learn. **If a conflict between this policy and district policy occurs, district policy may overrule.** For the purpose of this handbook, school grounds are defined as school property and property immediately adjacent to school grounds.

OPENING AND CLOSING THE BUILDING

The school day is from **8:10 a.m. to 3:25 p.m.** Buildings will open at 7:40 a.m. and will be closed at 4:30 p.m. Students are not permitted in any USD 389 facilities without adult supervision. Students arriving prior to **8:05 a.m.** are to remain in the assigned area, the gym, or commons.

CLASSROOM PROCEDURES

1. Students are asked to be respectful and listen when the teacher brings the room to attention. Students will follow the quiet signals when instructed.
2. Students are asked to use respected and positive language when engaging with others. Use of profanity and/or cursing words will result in teacher or administrative consequences dependent on habitual or severity usage.
3. Always have necessary books, materials, and equipment ready to begin work. Teachers will not encourage the habit of forgetfulness by giving you permission to go to your locker during a class period.
4. Please help to maintain a neat and clean classroom.

Absent Work: Students who are absent for any reason will be required to make up work that is missed in each class. In cases of a prolonged absence of more than five days, additional time may be approved by the administration on a case-by-case basis. Work that is not made up in the allotted time will be recorded as no credit.

Cheating: Cheating is strictly prohibited. In the event a student is cheating, the student's paper will be marked with a zero, and the teacher will notify the student's parents and the office. Cheating may result in further discipline by the administration. Cheating will include mutual consent of copying tech files, CDs, or digitalized material between students.

Toys & Extra Items: Students may not bring any toys, balls, games, fidget spinners, or trading cards to school unless pre-approved by school staff. Items brought for show and tell must be cleared in advance, and the items may not be played with during the day. Any of these items or other items that a student brings from home which are a distraction to the learning environment, will be stored in the office until the end of the day or parent/guardian may pick them up to be taken home. The school is not responsible for loss or damage to these items.

CHANGE OF ADDRESS

If at any time during the school year a student moves to a different address, please report this change to the school office. A change in a telephone number or the installation of a new telephone should also be reported. This change in contact information is important to maintaining open communication as we send mass emails and phone calls to give information.

ATTENDANCE

By state law the school is required to notify juvenile authorities when a student has missed three consecutive days without parent notification.

If a student is absent from school, it will be necessary for a parent to call the office on the day the student is absent. When requested by the Administration, parents are asked to specify the exact reason for the absence. In those situations, stating personal reasons or personal business is not acceptable. Parents are asked to call between 8:00 - 10:00 a.m. Every attempt will be made by the school to call the parent of a child who is absent, but this does not remove the responsibility of the parent to notify the school.

In all absences, the administration of the school will make the final decision as to whether the absence was justifiable or warranted. The only exceptions by the administration may be for:

1. A prolonged or serious illness in which the student is under a doctor's care.
2. Unavoidable doctor's appointments.
3. Out-of-town trips that may have educational value. Parents must provide a written request, that states the purpose and dates of the absence. The request must be submitted at least 24 hours before the trip and must be signed by the principal, who will designate the absence as excused or unexcused. (Educational value is to be judged at the discretion of the administration.)
4. An excused hardship situation.

It is the responsibility of the student to make up the work missed. An excused absence allows the student the privilege of making up the work within a reasonable amount of time and does not excuse the student from the make-up work.

Parents will be notified by letter once a student has missed five days in a semester. After that point, the student is required to bring in a doctor's note for the absence to be excused. The School Nurse may also excuse students.

TARDIES:

1. There are no excused tardies, except if USD 389 caused a tardy. Students who arrive late to school must check in through the office.
2. Students who arrive after 10:00 are considered absent and will be counted as a half-day absence. Students who leave before 2:00 pm will be counted as a half-day absence.

TRUANCY

The Eureka Administration will not attempt to decide whether absences are excused or unexcused, except in the case of truancy. Truancy is defined by USD 389 as the following:

1. Not attending school after leaving home to do so.
2. Leaving school without permission from the office.
3. Not attending a class the student is enrolled in without a legitimate pass to be excused (even if the student is on the school grounds).
4. Leaving class without permission.
5. An absence that is not warranted to be excused.

State guidelines will be used to determine truancy, three unexcused absences in a row, five in a semester, or seven in a year. After a student is determined to be truant by administration, the county attorney and/or the Department of Children and Families will be notified of the student's truancy.

VISITORS TO THE SCHOOL

Any person who visits a building and/or grounds of the district will be under the jurisdiction of the Building Principal.

Visitors to the building are to report to the school office and sign in. Classroom visitations must be scheduled in advance with the school administration. Any paperwork required for the visitation must be completed in advance.

The Principal has the authority to request aid from any law enforcement agency if any visitor to the district's buildings or grounds refuses to leave or creates a disturbance. Violation of this rule may lead to removal from the building or grounds and denial of further access to the building or grounds. Violators of this board policy and its rules may be subject to the state trespass law. Students in grades K-6 from another school may visit corresponding classes with the permission of the school administration. Arrangements for a student to visit must be made in advance. Visitors' passes will be made on a limited basis only.

ENROLLMENT

To enroll in kindergarten, a child must be at least 5 years old on or before August 31 of the current school year. To enroll in 1st grade, he/she must be at least 6 years old on or before August 31. All children who are 7 years old on August 31 are required to enroll in school. All new students must have a copy of their birth certificate and immunization record to enroll. All students entering a Kansas school for the first time must also provide proof of a recent physical exam.

Students who have previously attended a non-accredited school or who have been home-schooled will be tested by the district and placed in the grade level indicated by test results.

A resident student is any child who has attained the age of eligibility for school attendance and lives with a parent or a person acting as a parent who is a resident of the district. For purposes of this policy, parent means the natural parents, adoptive parents, stepparents, and foster parents. For the purpose of this policy, a person acting as a parent means a guardian or conservator, a person liable by law to care for and support the child, a person who has actual care and control of the child and provides a major portion of support, or a person who has actual care and control of the child with written consent of a person who has legal custody of the child. Nonresident students may be admitted on a case-by-case basis after a review of their records.

GRADING

Students receive report cards at the end of each quarter. The marking system used by Marshall Elementary grades 3rd through 6th is:

A	90 - 100
B	80 - 89
C	70 - 79
D	60 - 69
F	0 - 59

"Incomplete" may be used as a grade only with the permission of the Principal. Definite time limits are established for work to be made up in order to receive the appropriate letter grade.

Teachers may have policies in place to hold students accountable for doing work and not accepting zeros. This policy would help create opportunities for students to complete work and do their best to show their abilities with the skills taught.

Students in Pre-Kindergarten through 2nd will use a skills-based checklist as a grade card.

Students who received a PASS in PASS/FAIL graded classes will be eligible for the honor roll provided their graded courses make them eligible.

Students may also be asked to attend additional activities through Title 1. These can include small group instruction during school, before-school homework assistance, and after-school tutoring.

REPORT CARDS

The report cards at Marshall Elementary School will be distributed at the close of each nine (9) weeks of school. In addition to the report card, grade sheets will be sent home after the 4th week of each grading period. Parent /teacher conferences will be held during the second and fourth nine weeks of the school year.

STATE AND LOCAL ASSESSMENT TESTS

All students in grades 3 – 6 will participate in the state testing as required by law. All Marshall students will participate in AIMSWEB and STAR testing multiple times per year to measure academic growth. Students who show academic need for additional instruction may be placed in classes to improve their skills. Students may be removed from class to attend the skills classes. Tier II and Tier III classes have been designed to aid students with improving skills in reading and math.

TEXTBOOKS & DAMAGED SCHOOL MATERIALS

A textbook fee is collected for use of textbooks. The student/guardian must pay for lost or damaged items that are purchased by the school and are used by the student. (Ex. Of Items: books, planners, headphones, classroom resources.)

CELL PHONES AND OTHER ELECTRONIC DEVICES

Cellular phones, MP3 players, I-Pods, smart/game watches or any other electronic devices are not to be brought into the classroom unless approved by the administration. All electronic devices are to be secured in the student's locker or backpack and turned off until the student has left school property.

TELEPHONE USE

The office telephone is for school business only and student-approved student needs. Students are not to request the use of this phone without the secretary's or administration's approval. Students will not be allowed to call home for forgotten items considered non-essential. Teachers will not be called to the phone during class time, but you may leave a message on their voicemail anytime during the day.

FIELD TRIP POLICY

Only students in good standing may attend school-sponsored field trips. Some field trips do not allow parent/guardians to attend and some field trips allow parents/guardians to attend with the child. Only two parents, or adult family members aged 18 or older, are allowed to attend with students in grades 1-6. Parents/Guardians must provide their own transportation. All family members will be expected to follow all school rules. They will sign a Rules of Conduct agreement before being allowed to participate in the field trip. No smoking or other use of tobacco or alcohol will be allowed at any time during the field trip. School-appropriate language must be used at all times. All participants must follow the USD 389 dress code. Failure to abide by any of the rules will result in removal from the field trip AND the family member may not be allowed to attend any other field trips with any child in the future. Students leaving school-sponsored activities may not return.

ACTIVITY LEAVE POLICY

Students are not permitted to leave and return to any school-sponsored event at home or away. This includes **ALL** school events (athletic and non-athletic events). Loitering adjacent to school-sponsored activities is prohibited.

LOCKERS

Lockers are provided for students in grades 4 - 6 to be used for storage of outer garments and school materials. The locker is NOT the student's private property and may be searched by school authorities at any time. Any unauthorized items found in the lockers may be removed. Students must provide their own lock. Only combination locks are allowed, and the combination will be given to the teacher. Locks are not required. Students who lose or damage their locks or lockers will be held accountable. Do not tell your combination to other students. Students are not to leave book bags unattended at any time, except when placed in their lockers or storage area.

POLITICAL OR PERSONAL STATEMENTS

The use, creation, or dissemination of gang or wannabe symbols, signs, names, or materials is prohibited. Said materials are prohibited on any clothing, body, or any other place at school or school-sponsored events. Gang membership or gang association will not be tolerated. Such activities may result in short-term suspension. Continued activities may result in a student being expelled.

Banners or signs are not to be displayed in school or at school activities without administrative approval.

Verbal or written threats toward staff or students of USD 389 are subject to disciplinary action. No petition or document may be circulated on school property, or in school, without the Principal's permission. No signs or information may be placed on bulletin boards or within the building without prior permission of the building principal.

BAD WEATHER SCHEDULE

The Superintendent of Schools will make the decision if a normal school day is to be changed due to bad weather. In case of severe weather, the official announcement for school closings may be heard over the major television and radio stations. The **School Messenger** system and the MARSHALL ELEMENTARY FACEBOOK (@Eurekaks) media will also be used to notify changes in attendance during school hours. Please use more than one of these to make sure of any school changes.

TORNADO, FIRE, & INTRUDER DRILLS

A tornado procedure has been set up for the school. When the tornado warning is sounded, all students and teachers should report to their assigned areas of safety. There will be no talking at all during the course of a tornado drill. Students should move quietly and quickly to their assigned areas of safety so that they can hear instructions that are given by the principal or teachers. Your safety and health are dependent upon your following the rules of tornado safety. Fire drills are required by law and are held monthly so that orderly evacuation of buildings may be accomplished without panic. Instructions are posted in each room. Acquaint yourself with these instructions. After the alarm sounds, walk quickly out of the building. Students should remain together so the teacher can account for students and repeat any announcements. Intruder drills will be practiced. Teachers will read books and provide education based on the ALICE Training that is researched-based and district-approved to ensure the best possible safety measures are taken within these unpredictable times.

BREAKFAST & LUNCH PROGRAM

Eureka USD 389 serves nutritious food every day for a reasonable price. Students from families whose income is within the established income scale approved by the State are eligible for free breakfast and lunch or a reduced-price meal each school day. To apply for free or reduced-price meals for your student at any time during the year, complete the application available in the school office and return it to the determining official noted on the application form. Your application will be processed and you will be notified if your application is approved or denied. Foster children, who are the legal responsibility of the welfare agency, may be eligible for these benefits.

All students will be required to eat in the designated area. Students are expected to observe the usual school behavior during the breakfast and lunch periods. We want the school cafeteria to be a place for training in good eating habits and courteous behavior. There is not a microwave available for student use. Students who bring their sack lunch should be aware that there are no microwaves available, so their meals do not depend on microwave use.

During the lunch period, all students in the group will report to the lunch area and remain there until dismissed. When entering the food line, go to the end of the line. Cutting in line will not be tolerated. Students will not be allowed to leave the building during the food period without permission from the office.

Parents are encouraged to purchase at least 10 days or more of meals at a time. Students are allowed to charge up to one week and then the parent is contacted by letter or phone. Parents will have an additional five days to bring the account current. After this time, the student must bring a sack lunch or cash to pay for their meals. Parents are responsible for ensuring that their child receives a meal daily by closely monitoring the dates of his/her balance and responding to the reminders immediately.

Parents may eat with their children in the lunchroom. Please call the school before 9:00 a.m. to notify the office so your name may be placed in the meal count for the day. Parents must pay for meals prior to eating. Parents are also permitted to bring a student outside food on special occasions as long as it is cleared by the principal.

EDUCATION OF EXCEPTIONAL CHILDREN

Our educational system agency is committed to providing a free and appropriate educational program to all exceptional children regardless of the severity of his or her handicapping condition. We provide the most appropriate and least restrictive educational programming for all exceptional children through screening, pre-assessment, comprehensive evaluation, individual educational planning and continuous follow-up. Parents may contact the Student Improvement Team (SIT) to request assistance for the child. Parents may also contact the Director of Special Education at 620-583-5588 for more information.

STUDENT RECORDS

Any eligible parent/guardian or student may inspect the personal records of the student during regular school office hours. When a student attains 18 years of age, the permission or consent required of and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.

All student records shall be treated as confidential and primarily for local school use unless otherwise stipulated. In situations where the parents of a student are divorced or separated, each parent, custodial and/or non-custodial, shall have equal rights to their child's records unless a court order specifies otherwise. The district's personnel shall not recognize private agreements between the student's parents.

WITHDRAWAL OR TRANSFER AND STUDENT RECORDS

Several days before a pupil plans to withdraw or transfer from school, he/she should bring a note from his parents explaining the situation. The pupil will present this note to the office and receive instructions regarding the return of textbooks, library books, locker equipment, etc. No clearance slip will be issued or refunds made until all fees have been paid and all school property returned.

According to law, most pupil records are confidential. A parent or guardian of a minor pupil must, upon request, be shown the pupil's behavior records in the presence of a person qualified to explain and interpret them. Pupil records may be released only with the written permission of the parent or guardian. In the event a student withdraws, records must be transferred to his new school when written notice is received from his parents, guardian, or his new school.

PROMOTION AND RETENTION

Students will be promoted when they have demonstrated mastery of the board-approved learning objectives. The final decision to promote or retain a student shall rest with the Principal.

VANDALISM AND PROPERTY DAMAGE

Our school buildings and equipment are an expense to the taxpayers to construct, purchase, and maintain. Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. If you should damage something accidentally, you should report it to a teacher or the office immediately.

BULLYING

Bullying of any student or staff member will not be tolerated at Marshall Elementary.

The counselor and/or Principal will investigate any reports of "bullying behaviors." Reasonable consequences will be enforced after an investigation into each bullying incident or if a school staff member directly observed the bullying incident. The incident will be documented and consequences may be applied to any or all students who are actively taking part in the bullying incident.

1. After the initial investigation, the student(s) will discuss the behavior with the school counselor.
2. The student/students will complete a bully worksheet in order to identify what behaviors are deemed unacceptable, how they hurt the other person as well as identifying other options for a more positive outcome.
3. The student may be required to read aloud a bully information packet to the counselor. The packet consists of identifying bully behaviors, the bully circle and the roles of each person involved.
4. The counselor and student will discuss communication skills and social skills in order to develop a positive self-awareness of behaviors.
5. Additional outcomes may include a phone call to the parents; parent meeting with the counselor, teacher and Principal.
6. Should the bullying behavior continue, the next process begins with the principal and includes disciplinary action.
7. Any continuation or repeating of the bullying behavior could result in disciplinary actions that includes but is not limited to ISS, OSS, or expulsion from school.

HAZING/HARASSMENT/INTIMIDATION/BULLYING/MENACING

The board is committed to providing a positive and productive learning and working environment. Hazing, harassment, intimidation, menacing, or bullying by students, staff, or third parties is strictly prohibited and shall not be tolerated in the district.

Students whose behavior is found to be in violation of this policy will be subject to discipline, up to and including expulsion. Staff whose behavior is found to be in violation of this policy will be subject to discipline, up to and including dismissal. Third parties whose behavior is found to be in violation of this policy shall be subject to appropriate sanctions as determined and imposed by the superintendent or board.

SEXUAL HARASSMENT

Sexual harassment shall not be tolerated in the school district. Sexual harassment of employees or students of the district by anyone is strictly prohibited. Any student who believes that he or she has been subjected to sexual harassment should discuss the alleged harassment with the Principal, Guidance Counselor, or another certified staff member.

DISCIPLINE

Each student is expected to show courtesy and respect and to follow the directions of those in charge. Here at Marshall, we are focused on the proactive measures of engaging and building relationships with our students to eliminate misbehavior. We will be practicing the 7 Habits of Happy Kids to help kids make good choices and develop good habits.

Discipline problems that are given to the principal to handle will have consequences ranging from missing recess to serving time in ISS. Continued misbehavior may result in after-school detention, and/or suspension from school.

Fighting on the school grounds at any time will be referred to the building principal. Students involved in any type of physical aggression will receive disciplinary action which may include, time-out, ISS, or out-of-school suspension. After reviewing the incident, the administration will determine the appropriate disciplinary action. In the case of a severe offense, long-term suspension may be imposed. Students will always be given the chance to explain their side of any discipline issue.

DETENTION OR IN-SCHOOL SUSPENSION

The following rules will be observed:

1. Detention times will be established by the administration.
2. Students failing to serve detention time when assigned will be assigned an additional day of detention.
Failure to serve assigned detentions may result in suspension from school.
3. Students must bring work to do while serving a detention.
4. Students failing to bring work will not be credited with serving detention time.

LEAVING SCHOOL GROUNDS

If for some reason, such as illness, it becomes necessary to leave the school grounds, the student must report to the main office and be checked out. (DO NOT LEAVE THE GROUNDS WITHOUT THE PERMISSION OF THE PRINCIPAL OR THE SECRETARIES.) Students who violate this rule will be considered truant. Students will not be released during the school day, except when approved by the administration, and upon receipt of a request from the student's lawful parent or person acting as a parent.

SUSPENSION

A student may be suspended or expelled for reasons outlined in Kansas law by the following certified personnel: Superintendent, Principal, and other certified personnel designated by the principal. Any student who is suspended or expelled shall receive a copy of the current suspension and expulsion law and a notice of the reasons for suspension. Suspended students may not attend any school-sponsored activity while their suspension is in force. Students who are OSS are not to be on school grounds during their suspension. Students serving ISS are to only be on school grounds during school hours. Acts of violent nature and violations of tobacco, alcohol, and other drugs will be reported to appropriate law enforcement. The Superintendent shall conduct an expulsion hearing for weapons possession, or another person appointed by the Board. Suspension from school has four terms:

1. Short-term suspension -- being suspended from school for 1 to 10 days. Parents will be notified by phone or in writing should such action become necessary.
2. Short-term suspension -- being suspended from school for 10 days if a pupil:
 - a. Carries a weapon to school, on school property, or a school activity. This includes a bludgeon, metal knuckles, a throwing star, knife that opens automatically
 - b. Knowingly possess or use illegal drugs or sell or solicit a controlled substance at school, on school property or at a school activity;
 - c. Has engaged in behavior which resulted in or was substantially likely to have resulted in injury to others.
3. Long-term suspension -- being dropped from class rolls for up to 90 days.
4. Expelled -- being dropped from class rolls for up to 186 days.

K.S.A. 21-4204(A)(5)(6) prohibits persons from possessing a firearm on school property or grounds. A student who has a firearm in his or her car on school property for the purpose of hunting before or after school is in violation of the law.

Whenever a student 13 year or older has been expelled from school or suspended for an extended term for:

1. Possession of a weapon at school, upon school property, or at a school supervised activity; or
2. Possession, use, sale, or distribution of an illegal drug or a controlled substance at school, upon school property, or at a school supervised activity,
3. Behavior at school, on school property, or at school-supervised activity, which resulted in or was substantially likely to have resulted in serious bodily injury to others;

The chief school administrative officer of the school from which the pupil was expelled or suspended shall give written notice to the Division of Vehicles of the Department of Revenue of the expulsion or suspension of the pupil. The notice of

expulsion or suspension shall be given to the Division of Vehicles within three days, excluding holidays and weekends, after imposition of the expulsion or suspension and shall include the pupil's name, address, date of birth, drivers' license number if available, and the reasons for the expulsion.

Upon receipt of notification of the suspension or expulsion of a pupil from school as provided in this section, the Division of Vehicles shall suspend the pupil's license or privilege to operate a motor vehicle on the streets and highways of this state. The duration of the suspension shall be for a period of one year.

Generally speaking, the following reasons for suspension or dismissal from school are:

1. Truancy - as previously defined.
2. Using tobacco, using drugs, or drinking alcoholic beverages on school grounds either during school or at school functions.
3. Incurable behavior--constantly being sent out of class because of lack of self-discipline, or any other antisocial behavior.
4. Vulgar language--use of words or actions.
5. Continued refusal to follow school rules.

Any of the above may lead to suspension; usually, the first time would be short-term. If no improvement is shown, the student will be dismissed for long-term suspension.

SCHOOL HEALTH NURSE

The School Nurse serves as a liaison between the school and the home. School health services are coordinated in cooperation with the principals and teachers. Basic hearing and vision screening by state guidelines are done according to state guidelines. Identification and prevention of communicable diseases include checking immunization compliance on all students. Medicine or treatments prescribed by a physician as necessary for a student must be administered under the supervision of an R.N. Parents must contact the school nurse to make the necessary arrangements and fill out the required forms before any medicine may be given at school, by school personnel.

Home Visits - Homes may be visited by the nurse to discuss health problems, or to explain defects found through screening programs.

Vision - Each pupil may receive a vision test every 2 years. The screening is done by the School Nurse using a Snellen chart. The School Nurse notifies students who show any defect in vision or who have symptoms of eye trouble.

Hearing Tests - Hearing tests are given to all pupils who are new to the Eureka schools and to those who have had indications of hearing problems in the past. Hearing tests will also be done at the request of a teacher or parent. The School Nurse conducts hearing tests every 3 years.

SUPERVISION OF MEDICATIONS

Diagnosis and treatment of illness and the prescribing of drugs and medicines are not the responsibility of the public schools and are not to be practiced by any school personnel. The public school shall not provide students with aspirin or any other medication.

When medication is necessary during the school day, the school will cooperate with parents in the supervision of medication that the student needs. The medical person authorized to prescribe medication must send a written order to the building administrator or nurse who will supervise the administration of the medication or treatment, and the parents must submit a written request to the building administrator requesting the school's cooperation in such supervision and releasing the school district and personnel from liability. Over-the-counter medications must meet the same guidelines, (without the medical personal authorization) before being administered by school personnel.

The school nurse will be responsible for the overall administration of all medication in schools or will delegate the responsibility to a staff member after receipt of the medication and initial assessment. Students in grades K-6 may administer their own asthma medication if authorized by written doctor's orders and written parental requests.

COMMUNICABLE DISEASES

Any student noted by a physician or the school nurse as having a communicable disease may be required to withdraw from the school for the duration of the illness. Students who experience fevers (>100 degrees Fahrenheit) related to illness will be required to stay home until they have been fever free without the use of medications (such as Tylenol and ibuprofen) for 24 hours. The student will be readmitted to regular classes upon termination of the illness, as authorized by the student's physician or as authorized by a health assessment team.

The school reserves the right to require a written statement from the student's physician indicating that the student is free from all symptoms of the disease. If a student is absent from regular classes for more than three consecutive days or the principal has been notified that a student has a communicable disease, and the principal shall determine whether a release shall be obtained from the student's physician before the student reenters school.

On occasion the school may ask about the symptoms of a child who is home sick from school. This is in conjunction with a request from the Greenwood County Health Department. Feel free to contact the school or the health department for additional information.

INOCULATIONS

All students enrolling in any district school shall provide the Building Principal with proof of immunization of certain diseases or furnish documents to satisfy statutory requirements. Booster shots required by the Secretary of the Department of Health and Environment are also required.
